TIME ZONES IN CANADA — FUSEAUX HORAIRES AU CANADA

THE CLOCKS INDICATE THE TIME RELATIONSHIP BETWEEN THE ZONES
LES HORLOGES INDIQUENT LA RELATION ENTRE LES FUSEAUX HORAIRES

DAYLIGHT SAVING TIME
Each year Daylight Saving Time comes into effect in Canada, but is not observed over most of the Province of Saskatchewan. The transition from Central Daylight Time to Mountain Daylight time therefore occurs at the Manitoba-Saskatchewan border

HEURE D'ÉTÉ
L'heure d'été entre en vigueur tous les ans au Canada sauf dans la majeure partie de la Saskatchewan. La transition entre l'heure avancée du Centre et l'heure avancée des Rocheuses se fait donc à la frontière entre le Manitoba et la Saskatchewan.

The Government of Canada telephone directory is now accessible electronically through either Publiservice or the Canada Site.

Enquiries/Renseignements

ENQUIRIES FROM THE PUBLIC

Every telephone conversation with the public is a prime opportunity to establish good relations between the Government of Canada and the people it serves. Many people do not know which department or agency is responsible for the program they are seeking. Remember that Canadians should be able to communicate with, and obtain services from, the federal government in the official language of their choice. Here are some other points to remember:

1. Answer the telephone by identifying yourself or your organization in both official languages.
2. If you cannot provide service in the language used by the caller, offer to transfer the caller to someone who can.
3. When transferring a call, inform the person being called of the language used by the caller.
4. Do not ask callers to identify themselves before informing them of the availability of the person they are calling.
5. If it is necessary to put a caller on hold, be sure to return to the line at frequent intervals.
6. It is up to you to transfer callers to the correct office when they have reached a wrong number.
7. Trying to track down a federal program or service? Call 1-800-O-Canada (1-800-622-6232).

RENSEIGNEMENTS AU PUBLIC

Chacune de vos communications téléphoniques avec le grand public est une occasion importante de créer de bonnes relations entre le gouvernement du Canada et la population qu'il dessert. Un grand nombre de personnes ne savent pas quel ministère ou organisme est chargé du programme qu'elles cherchent. Rappelez-vous que les Canadiens devraient être en mesure de communiquer avec le gouvernement fédéral et d'obtenir des services dans la langue officielle de leur choix. Voici quelques autres points qu'il serait bon d'observer :

1. Donnez votre nom ou identifiez votre organisme dans les deux langues officielles lorsque vous répondez au téléphone.
2. Si vous n'êtes pas en mesure d'offrir le service dans la langue de l'interlocuteur, demandez-lui si vous pouvez réacheminer l'appel vers quelqu'un qui pourra le faire.
3. En réacheminant un appel, informez le destinataire de la langue dans laquelle l'interlocuteur s'est adressé.
4. Ne demandez pas à la personne qui appelle de s'identifier avant de vous assurer de la disponibilité du destinataire de l'appel.
5. S'il est nécessaire de faire attendre l'interlocuteur, n'oubliez pas de reprendre la communication à des intervalles réguliers.
6. Réacheminez un appel au bureau approprié si le correspondant s'est trompé de numéro.
7. Vous cherchez des renseignements sur un programme ou un service du gouvernement fédéral? Téléphonez à 1-800-O-Canada (1-800-622-6232).

The Government of Canada Telephone Directory is produced and managed by the Information Technology Services Branch (ITSB) of Public Works and Government Services Canada.

The telephone directory is also available electronically. Federal public servants have access to the directory through the federal government's Intranet called Publiservice, and the Canadian public through the Government of Canada Primary Internet Site at http://canada.gc.ca.

The electronic telephone directory is maintained and updated on an ongoing basis by the Government Electronic Directory Services (GEDS) of ITSB. As with the paper version, the electronic directory is a bilingual, national directory of federal employees. It is easy to use and can rapidly be searched to locate the names, titles, positions, telephone and fax numbers, e-mail (Internet and X.400) and office addresses of federal public servants across Canada. GEDS also provides the organizational hierarchy of the federal government and departments.

For more information on GEDS and other ITSB initiatives, please visit our Web site at http://publiservice.pwgsc.gc.ca/itsb/text/index-e.html

Paper directories may be ordered by calling the Publishing and Depository Services order desk at (613) 941-5995 if you are in the National Capital Region (NCR), or 1 (800) 635-7943 from all regions outside the NCR.

L'annuaire téléphonique du gouvernement du Canada est produit et géré par la Direction générale des services d'infotechnologie (DGSIT) de Travaux publics et Services gouvernementaux Canada.

L'annuaire téléphonique est aussi accessible électroniquement. Les fonctionnaires fédéraux ont accès à l'annuaire au moyen de l'Intranet du gouvernement du Canada, c'est-à-dire Publiservice. Le grand public canadien a accès à l'annuaire à partir du site Internet principal du gouvernement du Canada, à l'adresse http://canada.gc.ca.

L'annuaire téléphonique électronique est administré et mis à jour sur une base permanente par les Services d'annuaires gouvernementaux électroniques (SAGE) de la DGSIT. Tout comme la version sur support papier, l'annuaire électronique est un répertoire national bilingue des employés fédéraux. Il est convivial et il permet de trouver rapidement le nom, le titre, la fonction, le numéro de téléphone, le numéro de télécopieur, l'adresse électronique (Internet et X.400) et l'adresse de bureau des fonctionnaires fédéraux à l'échelle du Canada. Les SAGE présentent aussi la hiérarchie organisationnelle du gouvernement du Canada et des ministères.

Pour plus d'information sur les SAGE et les autres initiatives de la DGSIT, consultez le site Web de la DGSIT à l'adresse suivante : http://publiservice.tpsgc.gc.ca/sit/text/index-f.html

On peut se procurer un annuaire sur support papier en téléphonant au comptoir de commande des Éditions et Services de dépôt, au (613) 941-5995, dans la région de la capitale nationale (RCN), ou au 1-800-635-7943, à l'extérieur de la RCN.
